**Everyone is welcome – bring your friends!** All walks start at 2:00 p.m. rain or shine and last from 1-2 hours, and are generally followed by socializing either around a “tailgate” or at the leader’s home. When planning to go on a walk, it would be good to **check the “calendar” section of the Town Crier for the previous week, our home page at [www.westonforesttrail.org](http://www.westonforesttrail.org), or call the Walk Leader, to be sure there are no last-minute changes.** Children and dogs (leashed) are most welcome. Be sure to wear appropriate clothing and shoes, especially in wet weather. If you don’t already have a copy of Elmer Jones’ invaluable book “Walks on Weston Conservation Land”, this is available at Dragon Books in the Town Center, or it can be ordered through the WF&TA home page at a price of \$ 15. A Trail Map is also on the web site, and a hard copy can be obtained at the Conservation Office (3d floor, Town Hall) for \$ 10.
